

Bridging Distances

Rapid Metro, a fully elevated corridor connecting Sikanderpur Metro station, Cyber City, DLF Phase 2, 3 and Ambience Mall

Trial runs to commence from October 2012

Commercial operations to start in early 2013

Common ticketing system with Delhi Metro

Trains to run from 5:30 am to 12:00 am (midnight)

Train frequency: every 4 - 5 minutes

Rapid Metro fare similar to Delhi Metro

Station Highlights

Rapid Metro Gurgaon corridor has six stations spread across the Network

Station 1

- Located in close proximity to Sikanderpur
- Interchange station to cross over from Delhi Metro to Rapid Metro Network
- Entry to station from either side of the road
- Elevated covered walkway for passengers to cross from Delhi Metro platform to the Rapid Metro platform

Station 2

- Located in DLF Phase 2
- Building No 5 is a walk of less than 2 minutes away from the station
- Concourse level will accommodate facilities like Ticketing and AFC collection gates

Station 3

- Will provide access to Belvedere Towers residential complex and DLF Phase 2
- A direct walk into Building No. 10 from the station

Station 4

- Situated on NH8, this station is positioned at the entry of Cyber City
- FOBs have been provided to give access to Gateway Tower, Ericsson Building and Building No. 8 and 4 on either side

Station 5

- Located on Mousari Avenue
- A five minute walk to the Ambience Mall from the station
- Passengers can enter the station from either side of the road

Station 6

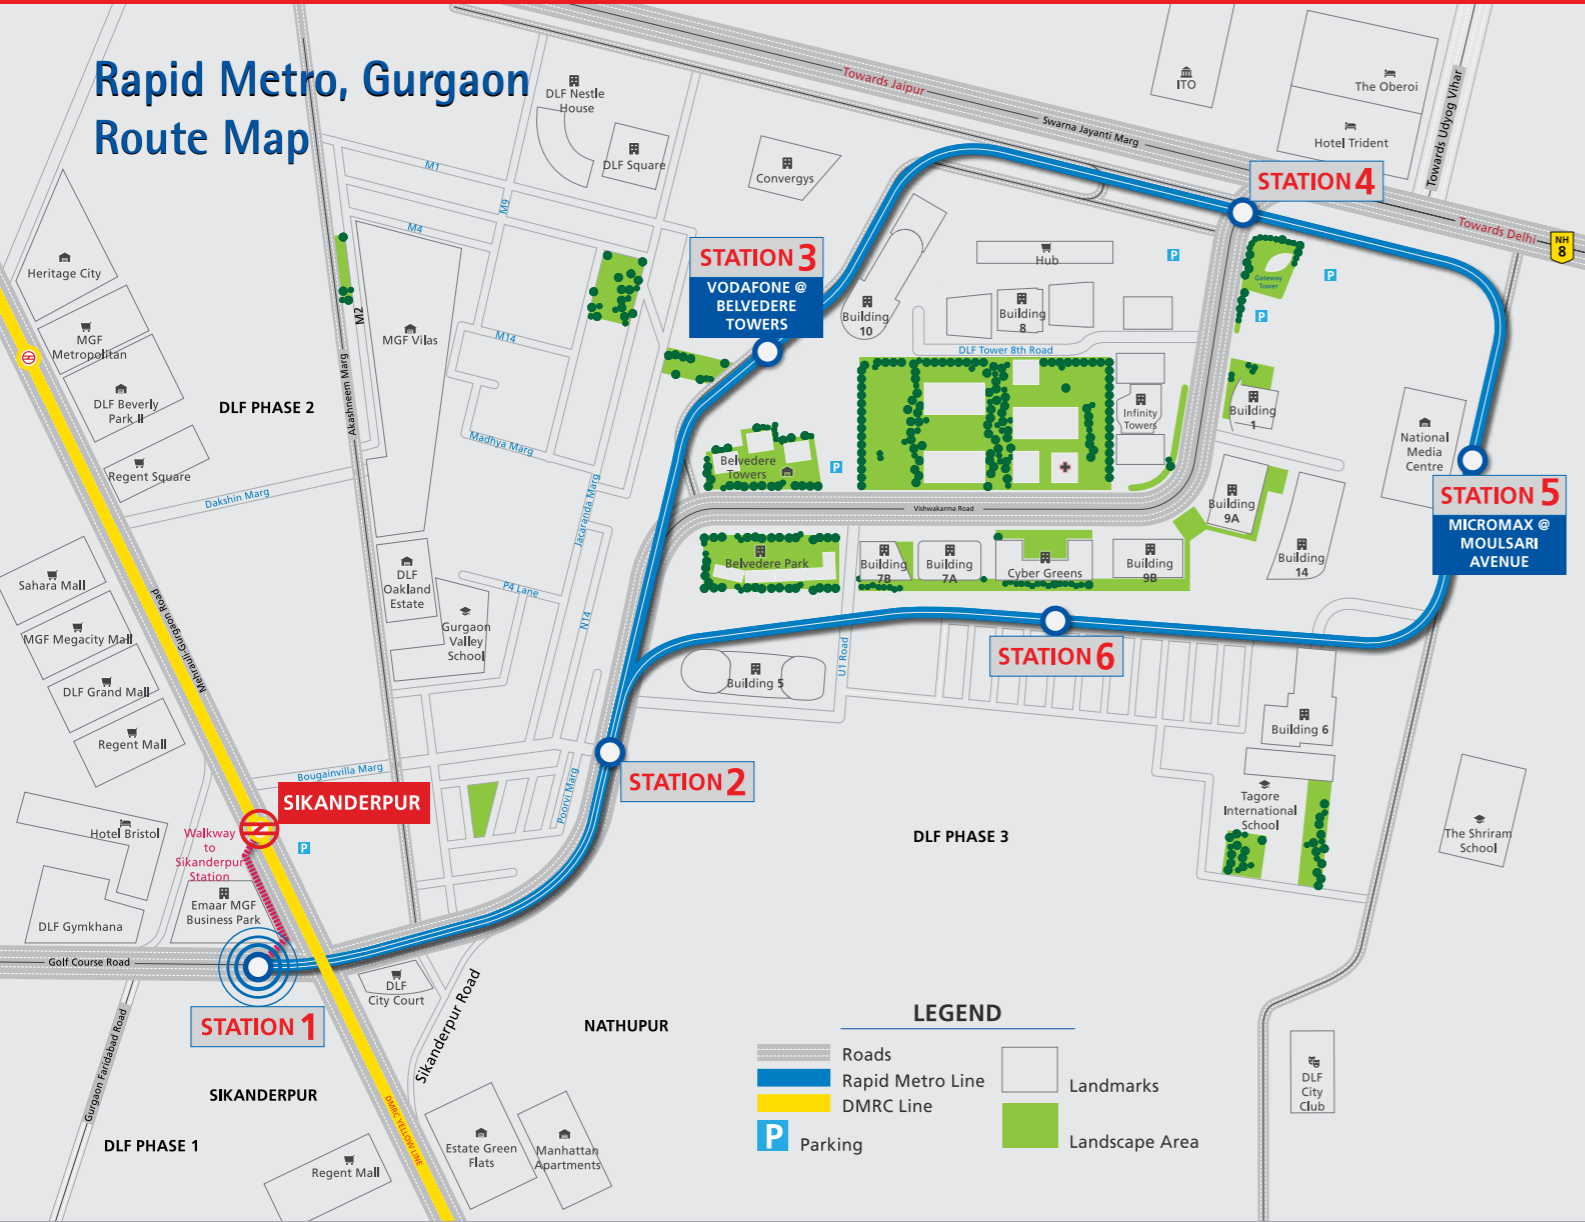

- Provides access to Cyber Green, Infinity Tower, Building No. 7 and 9
- Approach to offices located in these buildings is within a walking distance of less than 4 minutes
- A boon for the visitors and residents of DLF phase 3 – metro station now a short walk away!!

About IL&FS

The driving force behind Rapid Metro Gurgaon is Infrastructure Leasing & Financial Services Limited (IL&FS), one of India's leading infrastructure development and finance companies. IL&FS has a distinct mandate - to catalyse the development of infrastructure in the country.

Rapid Metro, Gurgaon Route Map

Safety First

- Fully automated train operations to eliminate human error
- CCTV monitoring across the Rapid Metro System, including platforms and coaches
- "Press to Talk" to driver facility on train for onboard emergencies
- Lifts / wheelchairs for senior citizens and disabled at all stations
- Baggage scanning and security check at all stations
- Customer care centre at every station with a 24x7 help line number facility

Eco-efficiency

- The project will reduce on an average more than one lakh tonnes of carbon emission (CO₂) per annum in the first year of operation
- Reduction in electricity consumption of up to 5-7% through automatic light sensors at stations
- Energy conservation through our air conditioning system which will monitor cooling requirement on the basis of passenger load
- To recharge the Cyber City water table, more than 150 water harvesting bore wells have been constructed along the Rapid Metro alignment and the six stations

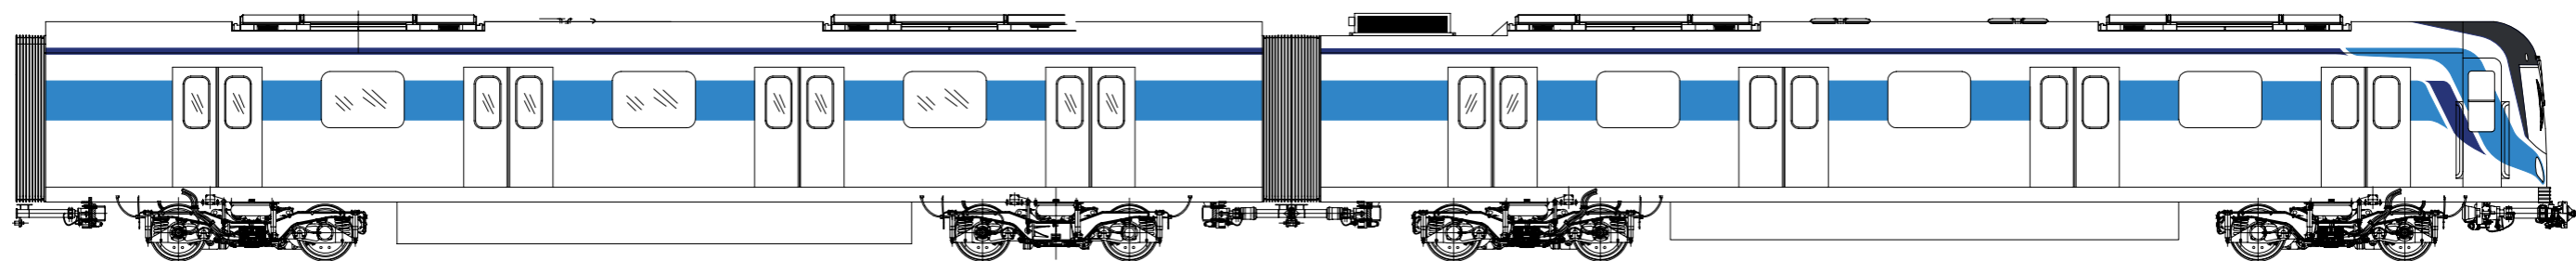

Technology Partners

- We have partnered with Siemens Mobility for rolling stock, signaling and electrification systems
- Trains are being built in accordance with international standards to reduce the running noise
- AFC (Automatic Fare Collection) system is being provided by Thales, a renowned and a major supplier of telecom and AFC systems for metros
- Stations and the elevated viaducts are being constructed by IL&FS Engineering

Community Engagement

- 'Joy of Giving' week was organized and winter clothing was distributed to more than 250 under-privileged students
- Funding for plantation and maintenance of approximately 1000 trees at Nandigram Gaushala, near Palam Vihar
- Rapid Metro sponsored the construction of a boundary wall at HUDA Primary School, Sector-9, Gurgaon
- 'Rapid Walk Gurgaon 2012' - a walkathon, was organized to promote the use of public transport in Gurgaon with nearly 2000 participants
- IRL Foundation, the philanthropic arm of IL&FS Rail has been set up for holistic community development

Updates

- Trains to arrive by August 2012
- Future extension of Rapid MetroRail Gurgaon towards Sector 55-56 and Udyog Vihar to commence shortly
- Sector 55-56 extension to be completed by 2015
